Permission from Dr. Jim Smith*

Following is the email correspondence with Dr. Jim Smith giving us permission to put his 2 compositions, Reno Boogie and Joyful Procession on our Chimes Unit website.

You are so full of it. Your Texas buddy knows when he's been had!!!
Of course you may put them on the website. I have been thinking about sending Boogie to a publisher, but you will be OK if I do since this is prior approval. You will forfeit your right to return to Texas if I don't get a video.
Give Barb a hug for me.
Jim
